

Hazmat Safety Officer

Classes to be scheduled – Call to host a Class

Class run 8-5 each day

This 16 hour *Hazmat Safety Officer* course is designed to provide the student with skills, knowledge and tools to effectively evaluate a hazardous materials incident for safety and ensure that recognized safe operational practices are followed. This class meets NFPA 472, 2013, Chapter 11 Competencies and will provide the student with knowledge to act as a Hazmat Branch Safety Officer.

As a prerequisite, students in this course are expected to have completed OSHA requirements for the Operations and/or Hazmat Technician Level and the National Incident Management System Courses ICS 100 and ICS 200.

For questions or registration information, contact Deputy State Fire Marshal Scott Lancaster at Scott.Lancaster@wsp.wa.gov or 360-596-3930.
